Electrical Equipment: No electrical equipment can be used at any venue at the Crail Folk Club unless it has a current and appropriate safety certificate (PAT). All items must be labelled accordingly and a PAT certificate made available if requested. Signing this contract is confirmation that any equipment brought along by the artiste will comply with this requirement.

Signing this contract is also confirmation that the artist agrees not to perform within 15 miles of Crail for a period of two weeks either side of this booking without the express permission of Crail Folk Club.

The venues used by Crail Folk Club have very strictly enforced capacities for health and safety reasons. If complimentary guest tickets are likely to be required please indicate how many well in advance of the performance, otherwise we may be obliged to turn your guests away.

If you have a website or use social media it would be helpful if you could add information about this performance.
